

PhD in Management

Specialization in Economics, Finance and Accounting

Call for Application

ESADE's PhD in Management (Economics, Finance and Accounting Track) is seeking applications for its September 2021 intake. ESADE offers a range of scholarships that cover fees and living expenses. Our program prepares students to contribute to high quality academic research. Students are initially registered as Master of Research (MRes) students, which comprises the specialized research coursework of the PhD.

Potential areas of interest: Economics (public, labor, international and behavioral economics), Finance (corporate finance, asset pricing and risk management) and Accounting (accounting disclosure, earnings guidance and management accounting). For more information visit:

Eligibility for the Programme:

- All applicants must have a Bachelor's degree or Master from an accredited university.
- Work experience / graduate degrees are not required for admission.
- Candidates are expected to have strong quantitative skills.

Scholarship and Living Stipend

Scholarships cover the whole amount of the tuition fees: €15,400 for the first year and €13,500 per year for the subsequent years. In addition, the school offers some stipends to cover living expenses during the program.
